NOTE FOR: Evan Hineman

FROM: EA/ExDir

Per your conversation with John McMahon, he'd like you and DDS&T to get together on this, treating it like a high priority item without calling it a PCP.

Thanks, .

Dick:

Les Dirks came in late saying that he thought your suggestion to John was worth pursuing. John has suggested to Evan that he and Les get together on this and treat it as a high priority issue without calling it a PCP.
